About This Project

We will be selling Carne Guisada plates to raise funds for Sandra and Michael Ruddick. Sandra is a diabetic and had to have a foot amputated earlier this year. She has not been able to get her prosthesis as of yet. Michael lost his job within the last few weeks. They are members of Salem Lutheran Church. A number of fellow members will be getting together to prepare and sell the plates to raise these funds. One of the main items that will be covered is the cost of the prosthesis. The seed money will be used to cover the cost of the supplies for the meal. I plan to recruit about 20 to 25 members to help with the various jobs that need to be done to make this happen. We will be sharing the love of Christ within the community.
